PEDIGREE OF EXCELLENTS

Heritage Pride *Royal* RED combines two of the leading Dutch Belted foundation families at Legend Dairy Farms, the Hannah and Poppy families. This outstanding young sire is the grandson of Heritage Pride Poppy 617, the first 94-point cow of the breed with 32,010 pounds of milk and 1,028 pounds of fat in 365 days. His dam, an own daughter of 94-point Poppy, is Excellent 90 and so far already has records over 21,000 pounds of milk. His sire, Heritage Pride Hercules EX 90, leads back to the famous "Queen of the Breed" Hannah B who scored Excellent 91 at age 17 and lived to be 18 years 10 months. *Royal* RED combines high production with extreme longevity and may be the only bull of the breed with all Excellents in his pedigree!
